DISC BRAKE PADS

MADE IN EUROPE

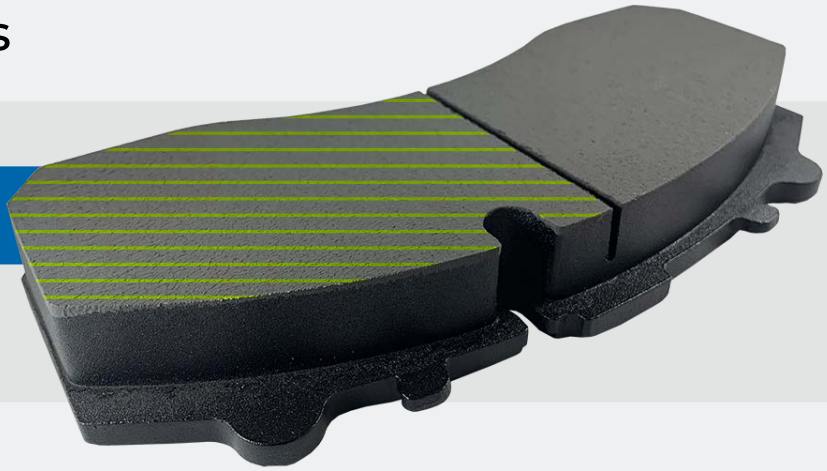
DISC BRAKE PADS

for trucks and trailers

available in Premium Line only

ADAPTATION COATING LAYER

makes the bedding process of the pad to the disc softer



Premium Line

Premium Line brake pads are recommended to fit vehicles that operate on mountainous terrain and in heavy-duty working conditions.

Eco Line

Eco Line brake pads contain less than 5% of copper saving the environment and providing perfect braking efficiency at the same time.
